

VANDERBILT  UNIVERSITY
MEDICAL CENTER

**PERMISSION TO TAKE AND USE
PHOTOGRAPHS OR VIDEOS**

(Not for use for Media or Public Relations purposes see MC 6690)

This signed form becomes part of the patient's medical record

This is permission to use photos and videos

- Vanderbilt and staff may take and use pictures or videos of me for use by Vanderbilt.
- Others may see the photos and videos to teach, to train, and to improve patient care.
- Someone that I know could see me in a picture or video.
- My name will not be used unless I say that it's okay to use it.
- Even if I do not say that it's okay to use these pictures or videos, I can still get care at Vanderbilt.
- This permission is good for as long as the pictures or videos are used to teach, to train, or to improve care.

Permission for other uses outside Vanderbilt

- I allow Vanderbilt, its staff, or someone else to take pictures or videos of me.
- I know that pictures or videos cannot be taken if it is bad for the care of me or others.
- I know that Vanderbilt can stop using the pictures or videos at anytime.
- I know that these pictures will not be kept by Vanderbilt. They will be given to me or those listed below:

To stop the use of my pictures or videos

- I can send a letter to Vanderbilt at anytime to the address below.
- I cannot take back the use of photos or videos that are used before the day my letter is read.
- After the pictures/videos are given to me, Vanderbilt is no longer in charge of how they are used.

To give your permission

I read and understand this form. My questions are answered. I allow my photos or videos to be used by Vanderbilt as a gift. I will not ask for any kind of payment.

- My pictures or videos may be used to teach, to train, and to improve patient care.
- My pictures or videos may be used and shared with others outside of Vanderbilt to teach, to train, and to improve care.
- My name may be used with these pictures or videos.
